

High Performers? You'll find them at USPI.

We are proud to share that USPI facilities receive incredible awards and recognitions each year for their dedication to patient safety and high quality care. Here's a recap of a few of the recognitions received throughout 2013:

TJC: Top Performers

The Joint Commission: Top Performers on Key Quality Measures

Criteria:

- 1) A cumulative performance of 95% + across all reported accountability measures
- 2) A performance of 95% + on each reported measure where there are at least 30 denominator cases
- 3) At least one core measure set that has a composite rate of 95% +, and within that measure set all applicable accountability measures have a performance rate of 95% +

Arizona Orthopedic Surgical Hospital
Baylor Medical Center at Trophy Club
Baylor Medical Center at Uptown
Baylor Orthopedic and Spine Hospital at Arlington
Baylor Surgical Hospital at Fort Worth
Memorial Hermann Specialty Hospital at Kingwood
North Central Surgical Center
Sugar Land Surgical Hospital
TOPS Surgical Specialty Hospital

Consumer Reports

Consumer Reports - Top Hospital Ratings

Criteria:

Ratings analysis included length of hospital stay as correlated with complications, and how hospitals nationwide compare in avoiding adverse events in Medicare patients during their hospital stay for surgery.

Arizona Orthopedic Surgical Hospital
Baylor Medical Center at Uptown
Baylor Orthopedic and Spine Hospital at Arlington
North Central Surgical Center
Oklahoma Center for Orthopedic & Multi-Specialty Surgery (OCOM)
Saint Thomas Hospital for Spinal Surgery
Sugar Land Surgical Hospital
TOPS Surgical Specialty Hospital

APEX Quality Award

Voyance Health's APEX Quality Award

Criteria:

- 1) Exceed the 85th percentile of their peer's overall APEX Weighted Score
- 2) Meet a minimum survey response threshold during the 12 months of award consideration (July - June)
- 3) Measure all key performance indicators required by Voyance for their specific healthcare market

Franklin Endoscopy Center
Lebanon Endoscopy Center
Midwest Physicians Surgery Center

Guardian of Excellence

Press Ganey's Guardian of Excellence Award

Criteria:

Sustain a mean score rank of 95th percentile or above at the overall level in the Press Ganey database in each reporting period for the year. Award winners are determined by reviewing the overall mean score percentile rank of each database report to verify that the percentile rank has not dropped below the 95th percentile at any point

For the Emergency Department:

Baylor Surgical Hospital at Fort Worth
Irving Coppell Surgical Hospital
North Central Surgical Center

For Inpatient:

Arizona Orthopedic Surgical Hospital
Baylor Medical Center at Frisco
Baylor Medical Center at Uptown
Baylor Orthopedic and Spine Hospital at Arlington
Memorial Hermann Specialty Hospital at Kingwood
North Central Surgical Center
Oklahoma Center for Orthopedic and Multi-Specialty Surgery (OCOM)

ASGE'S ENDOSCOPY UNIT RECOGNITION PROGRAM AWARD: Several USPI facilities received recognition through a commitment to quality in endoscopy as evidenced by the adoption of ASGE and CDC guidelines relative to privileging, quality assurance, endoscopy reprocessing and infection control - congratulations to all facilities recognized!

Lebanon Endoscopy Center in Tennessee participated in several community events throughout the year: Go Johnny Go and Sherry's Run, community charitable 5k/10k events respectively promoting healthy living and colon cancer awareness as well as Wilson County's Relay for Life to raise money for patients with cancer. Great job actively impacting the community in a positive way!

Gateway Endoscopy Center in Missouri received the award for Largest Team and Top Fundraising Team for the Colon Cancer Alliance Undy 5000 in St. Louis, which raises money for the Colon Cancer Alliance's life-saving prevention, research and patient support programs. Way to go!
